

1st May 2026

Dear Parents and Carers

RE: B Fest, 22nd May 2026

We are excited to let you know more information about our upcoming B Fest event which you may have seen previously advertised on our weekly newsletter.

Our school council are organising a school fayre style event which was a great success last year. This time, we're delighted to open the event up for families and the wider community to enjoy as well.

The aim of the event, as well as bringing the community together, is to raise money for a new defibrillator for our school. This vital piece of equipment could make a lifesaving difference in an emergency, and we will greatly appreciate your support in helping us to reach our goal. Our Year 6 class will also be holding additional stalls as they fundraise for their upcoming Alton Towers trip.

To help everyone make the most of the event, we ask that **children are collected from their classrooms at 2.30pm on Friday 22nd May 2026**, so that they can enjoy B Fest with their families. Please note: this does not apply to our Year 6 class who will be running their own stalls, however Year 6 families are still invited to attend from 2.30pm.

If you are unable to collect your child at this time, please let the office know as soon as possible.

Each class will be organising a stall, so there will be a variety of items to purchase. As well as a bouncy castle and ice cream van available for all to enjoy. Please note that the stalls held by school will be cash only.

We will also be offering stalls for members of the community and local groups. If you're interested in booking a stall for just £10 please contact the school office.

In addition, we will be holding a raffle. Any donations for raffle prizes would be greatly appreciated and can be dropped off at the office.

We hope that you are able to join us and support this exciting event.
